How to keep charges down

You can keep charges as low as possible by:

- Always keeping your account within any agreed overdraft limit; and
- Keeping all statements and documents we send you (to avoid you having to pay charges for copies).

Standard Charges

Current Account

If you keep at least £250 in your account in any charging month (the period from the 5th of one month to the 4th of the next) you will not pay any standard charges. If you have less than £250 in your account for all or any part of a charging month, we will take the following charges.

- For each payment into or out of your account – 39p
- An account maintenance charge of £2.50 a month

Freeway Current Account

If you hold a Freeway Current account you will not pay any standard charges whilst your account remains in credit. If your account goes overdrawn by more than £50 in any charging month (the period from the 5th of one month to the 4th of the next) we will take a monthly maintenance transaction charge of £6 for every month or part of a month during which the account is overdrawn. Your account is also subject to "Overdraft Charges" as detailed on the next page.

High Interest Cheque Account

The first debit from the account in any charging month is free. There is then a 50p charge for every other debit from the account in that charging month.

Premium Saver Account

The first cheque from the account in any charging month is free. There is then a 50p charge for every other cheque from the account in that charging month.

Overdraft Charges

You should keep your account in credit unless we agree with you that you can go overdrawn.

Overdraft set-up charge

You can arrange a new or increased overdraft limit (including a temporary increase) on your account. We will take this amount from your account on the same day.

Agreed overdraft up to £200	FREE
Agreed overdraft up to £1,000	£10
Agreed overdraft between £1,001 to £3,000	£20
Agreed overdraft of £3,001+	£30

Annual overdraft charge (as above) will be applied

A year has passed from the date we set up a new overdraft or increased the overdraft limit on your account.

Unauthorised overdraft

If you need an overdraft, or you need to increase the agreed limit, we recommend that you agree this with us beforehand to avoid extra charges and interest.

If you do not have an agreed overdraft, you will be charged interest on the full amount of the overdraft at:

- our unauthorised overdraft interest rate; and
- our 'surcharge' rate – currently 1.25% a month – minimum of £2.

If you have arranged an overdraft with us but go over the agreed overdraft limit, you will be charged interest on the amount over your agreed overdraft limit at:

- our agreed overdraft interest rate; and
- our 'surcharge' rate – currently 1.25% a month – minimum of £2.

We will work out interest every day during the period when you are overdrawn or over an agreed limit. For any overdraft within the agreed overdraft limit we will continue to charge interest at the agreed overdraft rate.

Informal overdraft request charge: You informally request an overdraft by trying to make a payment from your account when there is not enough money in the account or overdraft limit available. The informal overdraft request may be met or refused at our discretion.	£10.00 (Charged once per day)
--	----------------------------------

<p>Unpaid charge: When there is not enough money in your account, or enough of an overdraft limit, to cover all the cheques, standing orders and direct debits. We cannot pay these from your account because you do not have the money available. We charge you for each of these unpaid items.</p>	<p>£28.50 (per item)</p>
